

Ravages caused by the recent tidal wave at Agavedzi

Tidal wave victims receive fresh hope

• President assures of permanent solution soon

From Alberto Mario Noretti, AGAVEDZI

PRESIDENT John Dramani Mahama has pledged the government's determination to find a permanent solution to the ruthless and persistent tidal waves invasion of the coastal

communities of Agavedzi, Sallakope and Amutinu in the Ketu South Municipality in the Volta Region.

"We already have a comprehensive report on the situation; the feasibility studies and
